

About the Company

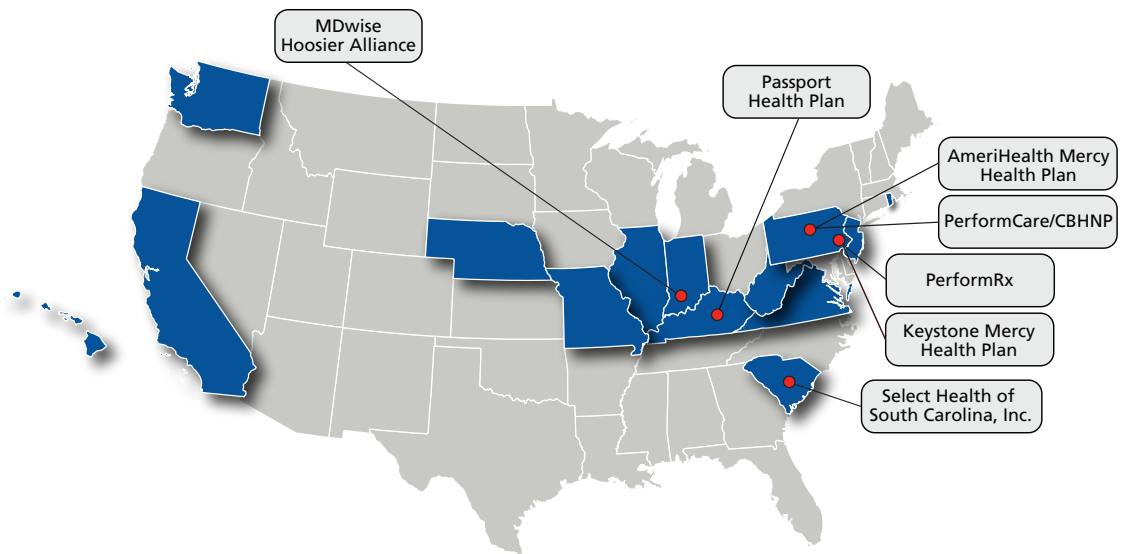

AmeriHealth Mercy and its affiliates comprise the largest family of Medicaid managed care plans in the United States. Touching the lives of more than 6.5 million members, AmeriHealth Mercy is an expert and industry leader in Medicaid, State Children’s Health Insurance Programs (SCHIP), and other publicly funded insurance programs. AmeriHealth Mercy’s programs offer improved health outcomes for members and have saved taxpayers millions of dollars.

Services & Products

AmeriHealth Mercy has a variety of programs and capabilities to meet the special medical and social needs of these vulnerable populations and to satisfy complex state and federal requirements. Current capabilities include all management and administrative services necessary to operate a state-of-the-art Medicaid managed care organization. AmeriHealth Mercy’s core products include:

- Full-Risk Medicaid Managed Care Services
- Management and Administrative Services
- *PerformCare* Behavioral Health Care Services
- *PerforMED*® Care Management
- *PerformRx* Pharmacy Benefit Management

Behavioral Health Services

PerformCare/ CBHNP is a national full-service behavioral health managed care company that supports members through specialized behavioral health and human services programs in the public and private sectors. Within Pennsylvania, the behavioral health care plan has been and will continue to be known as CBHNP.

Pharmacy Benefit Management

PerformRx is a subsidiary of AmeriHealth Mercy and provides “The Next Generation” of pharmacy benefit management services for its clients and their members through a distinctive approach that enhances clinical outcomes and improves financial performance. www.performrx.com

Care Management

PerforMED® is AmeriHealth Mercy’s care management division and incorporates the best practices in intensive case management, disease management, and behavioral health coordination. PerforMED generates an annual net savings of millions of dollars for a relatively small population of high-risk members with high medical costs. www.performedhealth.com
